

UNIT 4 - SOLUTIONS, DILUTIONS, AND SOLUBILITY

Introduction to Unit 4 - Vocabulary Assignment

Due Date: Next Class

Vocabulary:

Use your textbook **glossary** to find these definitions. In addition to the **definition**, do **one** of the **two** memory techniques:

1. Use the Index to find the word used in a chapter and **copy down the sentence** it is used in to understand word usage. **OR...**
2. **Draw a picture** that shows the word according to its proper definition or a method you will use to remember the word.

Solute	Saturated Solution	Dilute solution
Solvent	Unsaturated (Solution)	Concentrated solution
Solution	Supersaturated Solution	Molarity
Solubility	Concentration	

- **Note:** All of these terms are **nouns** but some describe an **object** while others describe a **type** of object
